The word coupon has been adjusted from the French I mean, Cut, first appeared in the English Dictionary in 1821. Discount coupons became known when in 1887 tycoon Asa Kander served as a marketing strategy for launching Coca-Cola with the distribution of printed vouchers in magazines that could be exchanged for free soft drinks on sale booths. This strategy, considered aggressive in its time, was one of the factors that led to the success of the brand later. It was the first time in history that coupons have been reported to be used effectively to attract customers and expand sales of a product. In the 1930s, the use of coupons spread during the Great Depression by people looking for cereals and other products that were missing from the market. In the 1940s and 1950s, major supermarket chains and appliance stores began using coupons that systematically reached more than half of Airbnb Australia families in the 1960s. Today the culture of coupons in countries like the United States, Canada, Australia and the United Kingdom is so common that there is even a TV show on TLC channel called Extreme Co. to find discount coupon Airbnb Australia and check out our free coupon list to find the best discount coupon options in Airbnb Australia.
